Why you feel Called:

During the year Rob served on the Standing Committee, he saw first hand how instrumental this group was in supporting the activities of our diocese and the national church. Rob believes strongly that using the gifts God gives each of us to sustain and advance Christ's ministry in the world is what each of us is called to do. He believes serving on Standing Committee would be one way Rob could live into this call. I believe Rob's knowledge and experiences at the parish, diocesan and national church levels would serve our diocese well.
