I am a lifelong member of St. Paul's in Clinton. I love serving my church and diocese. I have held many positions within my church including Senior Warden. I was elected Secretary of Convention for the 137th and 138th conventions. Although this year will be different in so many ways, I feel that I am prepared. I feel that my professional experience as an attorney and Assistant Clerk of Superior Court have given me the experience and skills that I need to be an effective Secretary of Convention regardless of the circumstances.
