Why you Feel Called:

I love this diocese and am excited about the ways in which it shares the Gospel of Jesus throughout Eastern NC and beyond. I am humbled to have been asked to consider being open to serve on the Standing Committee in support of the diocesan Christian witness, and believe that I have been called to be open to such a possibility. While there is much that I have to learn about the particular roles and responsibilities of the Standing Committee, I believe that my experience in other diocesan ministries would offer helpful perspectives to the work of this group.
